

ZIMMY HAS ARRIVED.

The World's Champion Bicyclist Gets Here from Chicago.

OTHER RACING MEN ALSO HERE

And More Will Come To-day and Tomorrow—The Cyclers are Beginning to String into Town, but the Bulk of Them Will Get Here To-night—The Relay Race Getting very Interesting—The Riders Who Will Ride in It—The Official Handicaps Have Been Received.

It was supposed that possibly the peerless Zimmerman would arrive here from Chicago yesterday, but no word was received during the day and it was then thought that he would arrive during the day today. There was some surprise, therefore, last evening when the blonde Jerseyman, accompanied by George Banker, Pittsburgh's crack rider, and Hoyland Smith, the eastern safety rider, walked into the McLure and registered. The news of the arrival in town of these lights of the cycling world soon spread and quite a crowd gathered in

home, McKeesport. This afternoon a large delegation from the Keystone Bicycle Club of Pittsburgh, numbering about 100, and also a number of the hard riding Century Club members from the same place will arrive, probably over the Baltimore and Ohio. Among the Keystone members are a number of the race track officials for the local races, including Mr. J. Wade McGowan, quite prominent in L. A. W. politics. The Pittsburghers will be located at the McLure, and they will probably constitute the largest visiting delegation of wheelmen at the meet. Other towns that will be numerously represented are Steubenville, Wellsville, East Liverpool, Toronto, Washington, McKeesport, Parkersburg, Cambridge, Newark, etc. More interest centered in the arrival of the great Zimmerman than in almost anything else connected with the meet. The latest advices from Zimmerman's manager were to the effect that he would arrive here over either the Baltimore & Ohio or Panhandle this afternoon. As will be seen elsewhere he arrived last night. He raced at the Chicago athletic games Saturday, and will have two days in which to become thoroughly rested for his first appearance in Wheeling. A number of the other fast racing men who are booked to appear here were at Chicago, and there will be quite a crowd of them here this afternoon. The western man, Johnson, and his clubmate, W. A. Rhodes, who did so well at Springfield, and others are expected from the east this afternoon. The principal event to-day of course, will be the INTELLIGENCER relay race from Pittsburgh to Wheeling, and as will be seen this promises by reason of the attempt to be made by Gibson, the hard riding Pittsburgher, to be more interesting than was at first anticipated. Can Gibson succeed in his purpose? Is the question that will be solved to-day. Secretary-Treasurer Herbert Rihel-

Sadler, foot of Reed's Hill to INTELLIGENCER office, three and one-half miles; total distance, Washington to Wheeling, thirty-three miles, Pittsburgh to Wheeling, sixty-five miles.

News from along the route will be received during the progress of the race, and the wheelmen will no doubt be in hand in large numbers to witness the finish and see whether Gibson can beat the relay men. Smith and Juergens will train it to Washington this morning, and Greer and Laing will take the 1:30 train to West Alexander.

THE RACES.

Of course it will be an unusual thing if the handicaps given out prove satisfactory to all the racing men. It would not be surprising if there should be a number of vigorous kicks, though the work has no doubt been done as well as possible.

"The Old Soldier" To-night.
Phil Peters and his excellent company in "The Old Soldier" will be the attraction at the Grand the first three nights of this week. As Mr. Peters is quite a favorite in this section it is safe to predict a big three nights' business. He is surrounded by one of the best companies ever engaged for a farce comedy. Among the many artists with this company are the three French marvels, the greatest dancers ever seen in this country. The seats are on sale at the box office.

SUFFERERS FROM dyspepsia have only themselves to blame if they fail to test the wonderful curative qualities of Ayer's Sarsaparilla. In purifying the blood, this medicine strengthens every organ of the body and even the most abused stomach is soon restored to healthy action.

World's Fair.
The Cleveland, Lorain & Wheeling Railroad Company will run a special excursion train to Chicago on September 19, leaving Wheeling 8:00 a.m. city time. Tickets good ten days from date of sale. One fare for the round trip.

A GOOD SHOW

We are always advising you to advertise, and to keep on advertising, but that does not cover the ground entirely. Of course, you should make your advertising effective—if an electric light be available, you should not use a "tallow dip" to light the path to your store.

What do we mean by that? Simply that the more conspicuous, the more artistic, the more attractive, the more original you make your advertisements, the more people will see and read them, and the more customers you will have to contribute to your cash-drawer.

Study effects in bold pretty type—good matter may be spoiled by ugly dressing. Seek to catch the eye by a display of good taste in the style and arrangement of your announcement.

Above all, let it be bold enough to be easily read. Don't vex a reader by vexing his or her eyes!

ARTHUR A. ZIMMERMAN, WORLD'S CHAMPION.

the McLure lobby. As is usual, Zimmerman soon made a break from the "madding crowd" and sought the seclusion of his room. The party came over the Baltimore & Ohio from Chicago, where they raced Saturday.

An INTELLIGENCER man called on the champion during the evening, and had quite an interesting talk with him.

"How do you explain your defeat by Sanger?"

"Well, you see, I have been riding throughout the summer, day after day, and when I reached Springfield was in the condition known as 'stale.' Then I went at the records the day before the races, so when I came to ride I found that I was not in good form at all. I won the first race, but at once found that I was not right, and should then have retired. Then, as you know, Sanger has been doing no track riding since the Chicago races early in August, and he was in the pink of condition when he went up at Springfield.

Zimmerman intimated that he would probably quit for the season after the races at Baltimore and Philadelphia this week. He said he had entered for the Century Club's tournament at Pittsburgh next week, but that he didn't know whether he would be there.

Zimmerman, Hoyland Smith, E. C. Johnson, George Banker, A. I. Brown and the other racing men will go over to the track this morning and put in some practice work. The tents for the accommodation of the racers will be put behind the judges' stand this morning.

Zimmerman said last night that possibly he would remain over for the races here Wednesday. Here's hoping he will.
